THE OPEN PALLET POOL.

The licence is requested for the applicant's following business operations:

Address: Country, postcode, town, street (unless identical to the applicant's address)

We declare the following:

- 1 We recognise EPAL's Stipulations for the Licensing Agreement procedure (Addendum 1) as legally binding. If the stipulations are infringed, EPAL is entitled to immediately terminate the licensing procedure and to reject the application.
- 2 The information in the applicant's data sheet (Addendum 2) are complete and accurate.
- 3 We hereby undertake to fulfil without delay the EPAL requirements for the technical equipment for EPAL manufacturing operations and EPAL repair operations (Addendum 3), relating to the type of licence we have applied for, as soon as the EPAL starts the EPAL licensing procedure. We confirm that we will order repair marking nails from a supplier approved by EPAL International promptly after applying for a repair licence.
- 4 We will bear the costs of the licensing procedure and pay EPAL.
